TAILGATE SAFETY TRAINING LOG

Name (print)__________________________________________________________ CTSP No. ____________________

CTSPs: I was the trainer / trainee (circle only one) Write a completion date on the line beside each session completed.

_____ Session 1, ANSI Z133 Introduction
_____ Session 2, General Safety Requirements
_____ Session 3, PPE: Head Protection
_____ Session 4, PPE: Eye & Face Protection
_____ Session 5, PPE: Respiratory Protection
_____ Session 6, PPE: Effects of Noise
_____ Session 7, PPE: Hearing Protection
_____ Session 8, PPE: Work Clothing & Footwear
_____ Session 9, PPE: Aerial-Lift/Platform Fall Protection
_____ Session 10, First Aid
_____ Session 11, Blood-Borne Pathogens
_____ Session 12, Fire Prevention
_____ Session 13, Fire-Extinguisher Deployment & Use
_____ Session 14, Public Safety & Traffic Control
_____ Session 15, Signal Flagging
_____ Session 16, Job-Site Setup
_____ Session 17, Personal Safety & Active Caring
_____ Session 18, The Hazard of Inexperience
_____ Session 19, Back-Injury Prevention & Proper Lifting
_____ Session 20, Reducing Back Injury w/ Proper Stretching
_____ Session 21, Preventing Musculoskeletal Disorders
_____ Session 22, Hand Tools
_____ Session 23, Job Briefings
_____ Session 24, Comm Helmet Use
_____ Session 25, Identifying Poisonous Plants
_____ Session 26, Biting & Stinging Animals & Insects
_____ Session 27, Lyme Disease
_____ Session 28, Avoiding Struck-by’s from Falling Objects
_____ Session 29, Chain Saw Selection & Maintenance
_____ Session 30, Chain Saw Use & Safety
_____ Session 31, Using a Chain Saw in a Tree
_____ Session 32, Battery-Powered Chain Saws
_____ Session 33, Alternatives to One-Handed Chain Saw Use
_____ Session 34, Limbing & Bucking
_____ Session 35, Avoiding Slips, Trips, & Falls
_____ Session 36, Trailer Towing & Setup
_____ Session 37, Backing Work Vehicles & Trailers
_____ Session 38, Avoiding Struck-by’s from Vehicles & Equip.
_____ Session 39, Brush Removal & Chipping

_____ Session 40, Avoiding Struck-by’s in Tree Removal
_____ Session 41, Protection from the Elements - Hot Weather
_____ Session 42, Protection from the Elements - Cold Weather
_____ Session 43, Dealing with Violent Behavior
_____ Session 44, Drug & Alcohol Awareness
_____ Session 45, Emergency Response & Rescue Procedures
_____ Session 46, Electrical Hazard Awareness
_____ Session 47, Qualif. & Incid. Line-Clearance Arborists
_____ Session 48, Electrical Hazards & Climbing
_____ Session 49, Aerial Equipment & Electrical Hazards
_____ Session 50, Equipment & Electrical Hazards
_____ Session 51, Storm Work Emergencies
_____ Session 52, Bucket/Compact Lift Rescues
_____ Session 53, Mobile Equipment
_____ Session 54, Portable Electric Equipment
_____ Session 55, Pre-Climb Inspections
_____ Session 56, Climbing Saddles, Ropes, Knots & Hitches
_____ Session 57, Climbing Carabiners, Snaps & Mech. Devices
_____ Session 58, Understanding Forces on the Tree
_____ Session 59, Tie-In Point Selection & Line Installation
_____ Session 60, Ascent Techniques
_____ Session 61, Working the Tree & Stability Techniques
_____ Session 62, Planning for Rescue (SRT/MRS)
_____ Session 63, Climbing Spur Safety
_____ Session 64, Climbing on a Spar
_____ Session 65, Ladders
_____ Session 66, Aerial Lift Key Safety Points
_____ Session 67, Tracked Lifts
_____ Session 68, Pruning & Trimming
_____ Session 69, Cabling & Bracing
_____ Session 70, Limb & Trunk Removal
_____ Session 71, Barber Chairs & Slabbing
_____ Session 72, Forces in Rigging
_____ Session 73, Common Rigging Hazards
_____ Session 74, Tree Removal
_____ Session 75, Defensive Driving: The Space Cushion
_____ Session 76, Defensive Driving: Recog. Driving Hazards
_____ Session 77, Defensive Driving: Averting Hazards
_____ Session 78, Distractions While Driving

Continued on reverse...
TAILGATE SAFETY TRAINING LOG

Session 79, Driving in Inclement Weather
Session 80, Avoiding Inj. in Pesticide Mixing & Handling
Session 81, Avoiding Inj. in PHC/Pesticide Application
Session 82, Preventing & Responding to Pesticide Spills
Session 83, Hazardous Substances
Session 84, Inspecting & Maintaining an Aerial Lift
Session 85, Fall Prev. for Roofs and Elevated Surfaces
Session 86, Load Securement & Safe Hauling
Session 87, Pre-Trip Vehicle Inspections
Session 88, Preventing Property Damage
Session 89, Hydraulic Dump Body Safety

Session 90, Stump Grinders
Session 91, Safe Work Practices for Buried Utilities
Session 92, Chipper Maintenance
Session 93, Chipper-Winch Safety
Session 94, Pinch Point Hazards
Session 95, Cranes & the Crew
Session 96, Crane Setup and L. Z. Safety
Session 97, Limitations of Cranes
Session 98, Operating Mini Skid Steers
Session 99, Skid Steer & Articulating Loaders with Cabs
Session 100, Truck-Mounted Loaders & Related Equip.

I certify this training log is a thorough and accurate record of Tailgate training I participated in.

Signed: ___________________________ Date: __________________

Record all sessions completed within a single recertification period on this log. Use separate forms to record sessions for which you were the trainer and sessions for which you received training.

CEUs awarded as follows:
- If you were the trainer, you will be awarded 0.5 safety program development CEUs and 0.25 training CEUs for each session.
- If you received training, you will be awarded 0.25 professional development CEUs for each session.

Make a copy of this training log for your records. For CEU processing, scan and upload this completed form as documentation when you apply for CTSP CEUs online, or scan and email the completed form to CEUREQUEST@TCIA.ORG, or mail this log to:
